The Lip and Eye Pencils take all the limitations out of when, where, and how to use liners. This unique collection pushes the envelope on pigment intensity and provides smooth, opaque, transfer-resistant color that adherences to eyes and lips and wears like no other pencil. Perfect for use in the inner or outer eye line and ideal for defining lips with as much boldness or subtlety as desired. Formula that glides on smoothly, without dragging and then adheres to the skin for impeccable wearability and intensity.

A luxurious quartet of eyeshadows expertly coordinated to create looks as unique as the women who wear them. Tailoring to each style, Classic, Iconic or Avant Garde, rich, intensely pigmented color in perfect finishes create distinctive looks. Matte shades are vivid and flat in appearance, while feeling velvety on skin. Shimmering hues are formulated with ultra-fine pearls with a subtle sparkle and satiny finish.
