This product is a brushless high-speed hair dryer---

- 1. It is suitable for household or similar usage environments.*
- 2. The product features two-speed settings, four temperature settings, and eight drying modes, making it adaptable to various scenarios.*
- 3. The product is equipped with a 360-degree rotating magnetic styling nozzle, which smooths hair while drying it.*
- 4. The product is fitted with a high-speed brushless motor, rotating at 110,000 RPM with a strong airflow of 19 meters per second, drying shoulder-length hair in 3 minutes.*
- 5. The product uses intelligent temperature control, adjusting 100 times per second to prevent excessive heat that could damage hair.*
- 6. The product emits 200 million negative ions, taming frizz, repairing dryness and split ends, leaving hair shiny and smooth.*
- 7. Basic model: Temperature-control key function: three-color light switching in sequence, blue-orange-red, blue light for cold air, yellow light for warm air, red light for hot air.*
- 8. Product with memory function, the product is set to apply the best state, the next boot directly into the original mode.*
- 9. Product size (without nozzle): 70.75*89.7*269.5mm.*
- 10. Power cord length: 1.8m.*
- 11. Product unit weight 438g.*
